4. TEACHER HOME PAGE

5.VIEW LECTURERS

The screenshot shows a web application interface for viewing lecturers. The header is dark grey with the 'AS' logo on the left, 'HOME' and 'LOGOUT' links in the center, and 'WELCOME, ADMIN' and 'LOG OUT' on the right. The main content area has a light blue background. At the top left of this area is the text 'UEL Lecturers'. To its right is a green button labeled 'Export As CSV File'. Below this is a table with a teal header row labeled 'Lecturers' and a 'Filter Search' button. The table has three columns: 'Staff ID', 'Full Name', and 'Email'. It contains two rows of data.

Staff ID	Full Name	Email
s	Anuradha Ma'am	maam@example.com
s1	patil sir	example@test.co.uk

6. STUDENT HOME PAGE

The screenshot shows a web application interface for a student's home page. The header is dark grey with the 'AS' logo on the left, 'HOME' and 'LOGOUT' links in the center, and 'WELCOME, KEMMY@EXAM' and 'LOG OUT' on the right. The main content area has a light blue background. At the top left of this area is the text 'Welcome Kemmy (Student)'. Below this is a horizontal line, followed by four buttons: 'View Assessments' (blue), 'View Modules' (blue), 'Marks' (orange), and 'submit assessment' (blue). Another horizontal line is at the bottom of the content area.

16. VIEW MARKING SCHEME

The screenshot shows the 'List Of Marking Schemes' page. At the top, there is a navigation bar with the AS logo, 'HOME', 'LOGOUT', 'WELCOME, ADMIN', and 'LOG OUT'. A green 'Export As CSV File' button is in the top right. The main heading is 'List Of Marking Schemes'. Below it is a table with a teal header 'Marking Schemes' and a search icon. The table has three columns: 'Module Code', 'Module Name', and 'Assessment Code'. One row is visible with the data: 'CNS103', 'Operating Systems', and '22'.

Module Code	Module Name	Assessment Code
CNS103	Operating Systems	22

17.ADD MARK

The screenshot shows the 'Add Mark For Kemmy kalaria' page. The navigation bar is the same as in the previous screenshot, but the user is 'WELCOME, ANURADHA'. The main heading is 'Add Mark For Kemmy kalaria'. Below it is a form titled 'Module Mark'. The form contains the following fields: 'Study Level' (text input with '5'), 'Module Code & Name' (dropdown menu with '-- SELECT MODULE --'), 'Student Name' (text input with 'Kemmy kalaria'), 'Assessment' (dropdown menu with '-- SELECT ASSESSMENT --'), 'Mark' (text input), 'Engagement' (slider with 'poor', 'ok', 'good', 'excellent' labels, and a blue dot on the 'good' side), and 'Feedback' (text area). At the bottom, there is a '250 Characters remaining' indicator and two buttons: 'Add Mark' and 'Cancel'.

3. IF ERROR OCCURS WHILE SAVING(assignment)

5. SAVING MODULE DATA

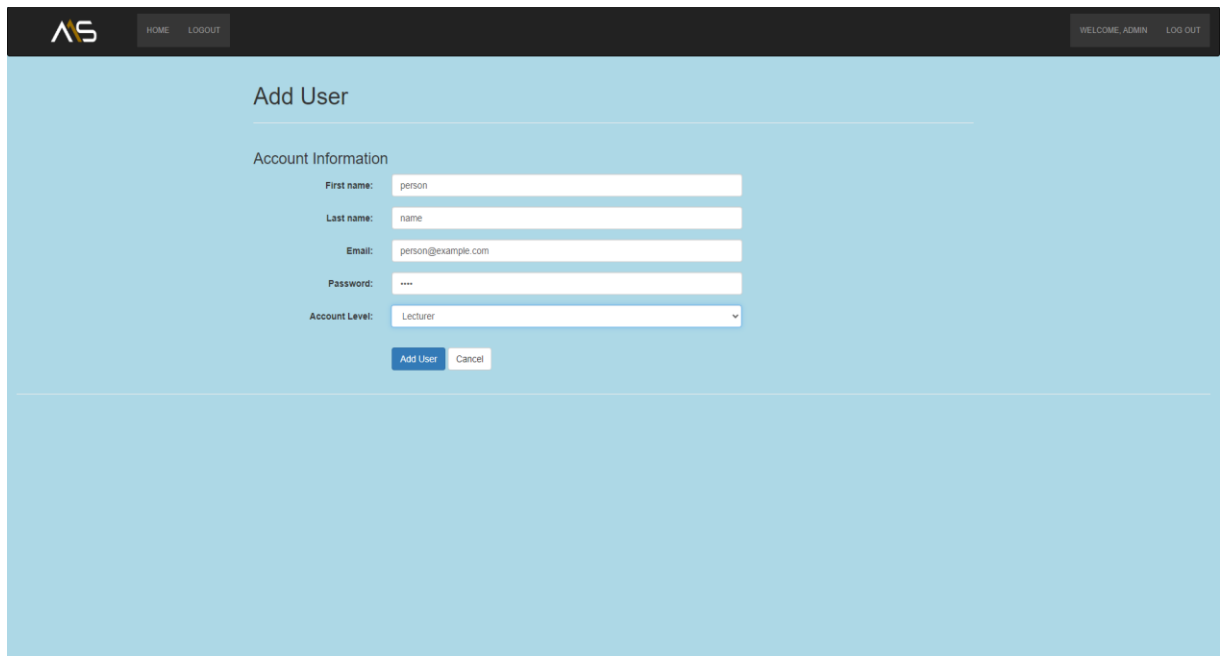

The screenshot shows the 'Add Module' form with a dark header bar. On the right, a notification box says 'localhost says Module Saved!' with 'OK' and 'Cancel' buttons. The form fields are: Module Code (empty), Module Name (empty), Module Level (dropdown with '-- SELECT --'), Module Leader (dropdown with '-- SELECT --'), Module Description (text area with '250 Characters remaining.'), Lecturers Linked To Module (dropdown with 'All Lecturers', 'Anuradha Maram', 'patti sir'), and Engagement points (with a '+ Add' button). At the bottom are 'Add Module' and 'Cancel' buttons.

6. IF ERROR OCCURS WHILE SAVING(module)

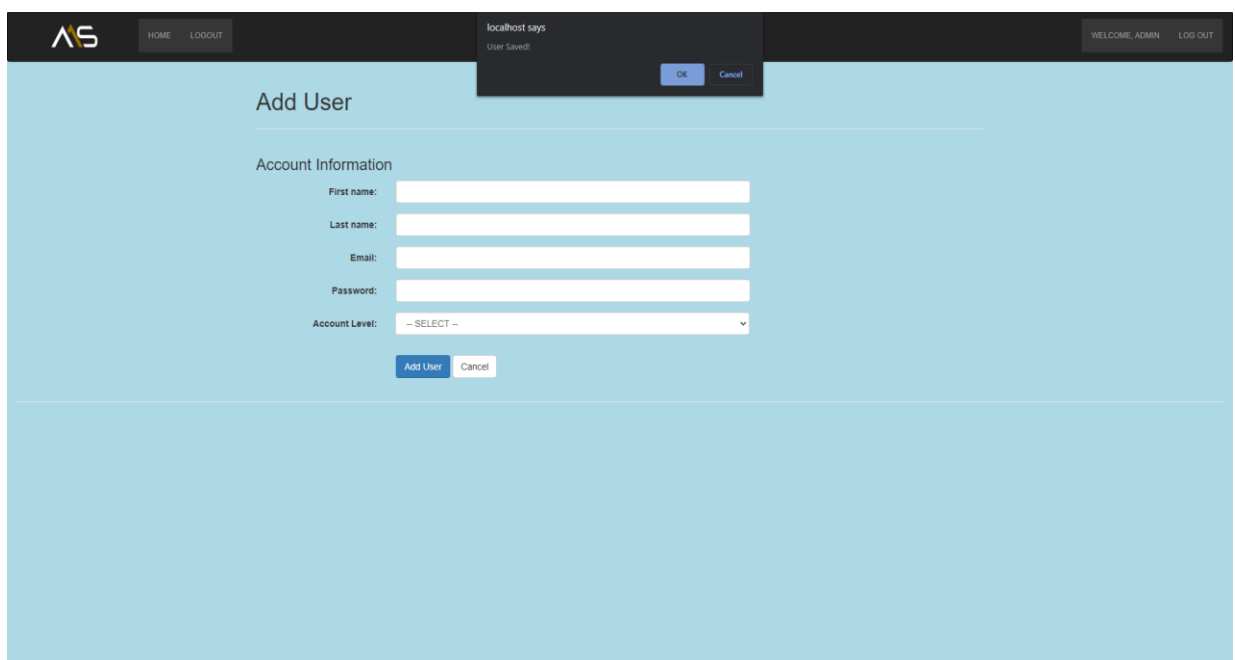

The screenshot shows the 'Add Module' form with the same layout as above. In this state, the 'Module Level' dropdown is highlighted with a yellow error message: 'Please fill out this field.' The 'Module Code' field contains the value '123'. All other fields and buttons remain the same.

7. ADDING USER

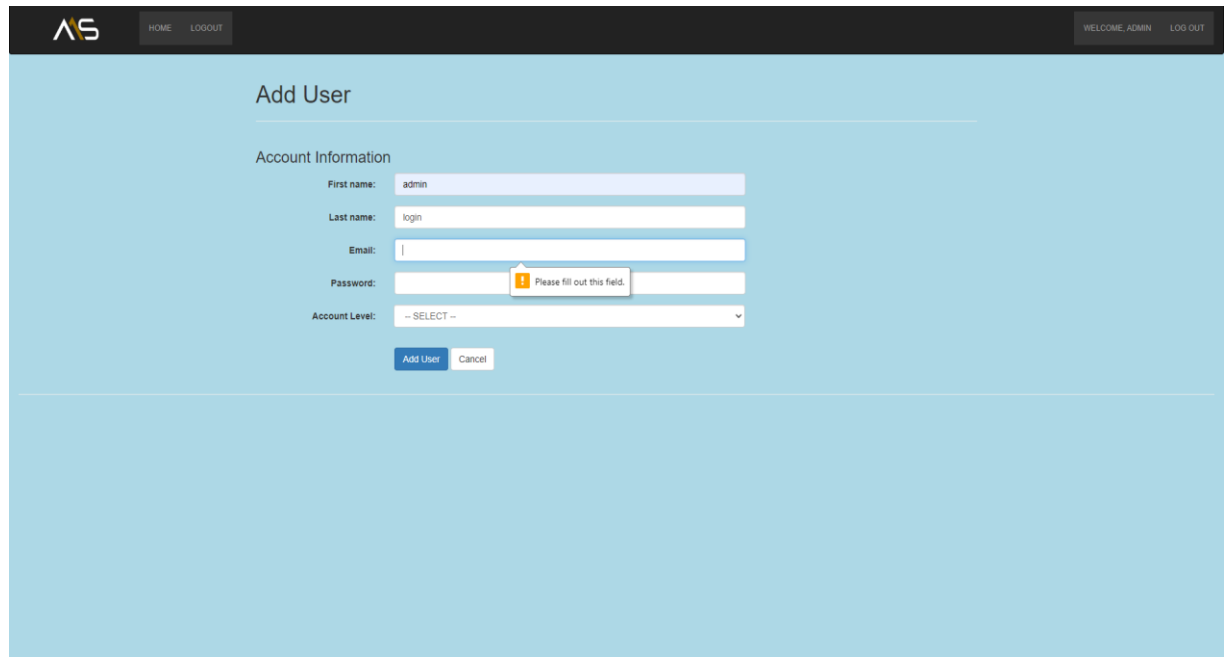

The screenshot shows a web application interface for adding a user. The header is dark blue with a logo 'AS' on the left, 'HOME' and 'LOGOUT' links in the center, and 'WELCOME, ADMIN' and 'LOG OUT' links on the right. The main content area has a light blue background. The title 'Add User' is centered at the top. Below it, the section 'Account Information' contains several input fields: 'First name' with the value 'person', 'Last name' with the value 'name', 'Email' with the value 'person@example.com', 'Password' with four asterisks, and 'Account Level' with a dropdown menu showing 'Lecturer'. At the bottom of the form are two buttons: 'Add User' (blue) and 'Cancel' (white).

8. SAVING USER DATA

This screenshot shows the same 'Add User' form as in the previous image, but with a success message overlay. The message box, titled 'localhost says', contains the text 'User Saved!' and has 'OK' and 'Cancel' buttons. The form fields are now empty: 'First name', 'Last name', 'Email', 'Password', and 'Account Level' (which shows '-- SELECT --' in the dropdown). The 'Add User' and 'Cancel' buttons remain at the bottom.

9. IF ERROR OCCURS WHILE SAVING(user)

The screenshot shows a web application interface for adding a user. The form is titled "Add User" and contains the following fields:

- First name: admin
- Last name: login
- Email: (empty)
- Password: (empty) with a tooltip message: "Please fill out this field."
- Account Level: --SELECT--

At the bottom of the form are two buttons: "Add User" and "Cancel".
